## Our Mission

Our priorities and objectives are not merely the traditional aim of profit making, but we are in fact trying to introduce a fresh concept of blending business with uncompromising quality standards, at the prices which should be competitive.

Through hard work, good customer relations, and sound management we are committed to the future growth of our company, to our customers, and to our dedicated employees, the backbone of our success.

## MWP Business & Presentations Pvt Ltd

Its more than fifteen years, MWP Business & Presentations Pvt Ltd, was established as the stockiest, sales, supply and fabrication of quality iron and steel products. With time we have built a web presence as [www.mwpbnp.com](http://www.mwpbnp.com), being the Pakistan first Iron and Steel comprehensive web portal.

We are running business with well-established government, semi government departments, national and international companies by providing them quality products.

We are proud in providing goods and equipment conforming different National and International Standards.

It is pertinent to mention that our office and stock warehouse is located at Sihala, Islamabad, far from traffic hazards of the twin cities.

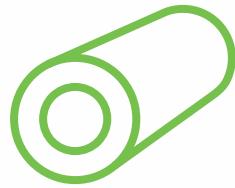

[www.mwpbnp.com](http://www.mwpbnp.com) at a glance

We are proud to be Pakistan first Iron and Steel web portal, providing online current market prices, archived prices, online iron and steel shopping with more than 10-12 payment methods, downloads, newsletters, videos and much more.
